

Class Info & Policies

We warmly welcome you to Firebird Dance Studio. We are excited to make this season a fun and memorable experience for all our new and continuing dancers! Please review the important information below regarding dance attire, costumes, pricing, and payment policies.

x _____ DANCE ATTIRE

Students should wear comfortable, fitted dance clothing, in **black or red**. Please purchase your dance class attire from Capezio Dance Theatre Shop in Mountain View, as they have our dance attire on reserve; simply tell them you are from Firebird, and they'll supply the necessary clothing. If they don't have your size or style in stock, they can order it or substitute a similar style. Capezio is located at:

982 El Monte Ave, Mountain View, CA (650)-965-7066

Pull up long hair into a bun or pony-tail. The type of dance shoe to be worn depends on the class and the choreography, and will be explained to each class by the instructors.

x _____ MAKEUP POLICY

You can easily makeup any missed class. Makeup classes never expire and can be used anytime. You may not substitute accumulated makeup classes for monthly tuition payments. **Toddler & Parent makeup classes are by appointment only; please call ahead. For makeup classes ages 3+, no appointment is necessary.** If you miss two weeks or more in any month due to vacation, let us know before the 1st of that month, to receive a 1/2 month discount. For full month absences, please let us know before the 1st of the month to avoid billing for that month. We do not discount monthly tuition for individual missed classes.

x _____ COSTUME POLICY

Firebird Dance Studio provides its students with costumes for performances. They are unique and custom-made, and range from \$50-\$500 per costume. Therefore, a **\$65 annual costume rental fee for the use of all studio costumes is due with your first payment of the season.** This fee is for all performing groups, ages 3+, and covers performances in the current season only. If costumes are lost or damaged while in the student's possession, the student is responsible for the cost for that costume.

We will distribute costumes on the last rehearsal before each performance. Costumes are to be returned at the next rehearsal after each performance, hung on individual hangers, and **never crumpled or in plastic bags.**

Costume care: after performances, always hang your costumes, each on individual hangers, and store in a cool, dry place. Do not put costumes in plastic bags. Once costumes are returned, Firebird will take care of dry cleaning / washing of costumes.

x _____ PAYMENT POLICY

Tuition is collected for each calendar month. **Payment is due on the 1st of each month. Please note: there is a \$20 late fee for payments submitted after the 10th of the month.**

We currently accept cash or check payments. For cash, place payment in an envelope labeled with student's full name, class, and amount enclosed. Make checks payable to Firebird Dance Studio, and include student name(s) and class in the memo.

x _____ CLASS PRICING

One group class is a 45-minute class. There are four weeks of classes per month. **Classes for ages 3+ have a \$50 annual registration fee, due with your 1st payment of the season.** This fee is due at the start of the season or at time of enrollment, and covers the current season.

We offer multi-class, sibling, and private class package discounts.
