Show Participation Fees: 2015-2016 Season

Firebird students perform many times each year, for which *no performance fees are required*. However, once or twice each year, Firebird performs a large, special production or an original show in a large, beautiful theater.

Effective September 2015, To offset the large costs of so much work, and performing at such beautiful venues, there will be a \$50 Show Participation Fee per performing dancer for large productions only. We will always inform our dancers and parents in advance about these shows, and let you know when a \$50 Participation Fee will be due.

This fee will continue to make our beautiful and memorable big performances and original shows possible!

I have read the Class Info & Policies. Student Name(s) _____ Parent Signature _____
